EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

Item No. 3

The Board of Directors of the Company had appointed Mr. Pankaj Gupta as the Chief Executive Officer ("CEO") at their meeting held on November 9, 2022, to comply with the requirement of Section 203 of the Companies Act, 2013 ("the Act") and to provide direction and management to the affairs of the Company.

The Members may note that with a view to make CEO a part of strategic decision making process and in-charge of operations, it is proposed to appoint Mr. Pankaj Gupta as the Managing Director and Chief Executive Officer ("MD&CEO") of the Company.

As per Para 42 of Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated October 19, 2023, any change in the composition of the Board of the Company by more than 30% (excluding Independent Directors) would require prior approval of the Reserve Bank of India ("RBI").

As the proposed appointment would result in a change in the composition of the Board of the Company by more than 30%, prior approval of RBI was required.

The Board of Directors of the Company had at their meeting held on January 29, 2025 confirmed that Mr. Pankaj Gupta meets Fit & Proper criteria as per Fit & Proper Policy of the Company and approved making application to RBI for proposed appointment of Mr. Pankaj Gupta as MD&CEO of the Company, post receipt of approval from RBI.

Mr. Pankaj Gupta is not disqualified from being appointed as a director in terms of Section 164 of the Act. He has confirmed that he is not debarred from holding office of director by virtue of any order from SEBI or any such authority and has given his consent to act as Director of the Company.

The Company has received approval from RBI for appointment of Mr. Pankaj Gupta as MD&CEO of Company on April 1, 2025.

Accordingly, as per the recommendation of the Nomination and Remuneration Committee, the Board of Directors at their meeting held on May 5, 2025, subject to approval of Members of the Company, has approved the appointment of Mr. Pankaj Gupta as MD&CEO of the Company for a tenure of 3 (three) years w.e.f. May 5, 2025 to May 4, 2028, at such terms and conditions including remuneration not exceeding Rs. 3 Crores (Rupees Three crores only) as agreed between the Company and Mr. Pankaj Gupta.

Mr. Pankaj Gupta satisfies all the conditions set out in Part-I of Schedule V of the act and also conditions set out under sub-section (3) of Section 196 of the Act.

As per Schedule VA – 62D of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), listed entity shall ensure that approval of shareholders for appointment or reappointment of a person on the Board of Directors or as a manager is taken at the next general meeting or within a period of three months from the date of appointment, whichever is earlier.

As per Section 197 of the Act, the remuneration payable to any one managing director or whole time director or manager shall not exceed five per cent of the net profits of the company. The remuneration proposed to be paid to Mr. Pankaj Gupta, MD&CEO of the Company is within the specified limits as per aforesaid regulatory requirement.

In accordance with the above regulatory requirements, approval of shareholder for appointment and remuneration of Mr. Pankaj Gupta as MD&CEO of the Company by way of special resolution is being sought.

Relevant documentation with respect to appointment shall be available for inspection by the Members at the Registered Office of the Company during business hours on all working days.

Considering the rich and vast experience of Mr. Pankaj Gupta (detailed in **Annexure I**), your Board believes that his appointment as MD&CEO on the Board of the Company will be in the benefit of the Company.

Except Mr. Pankaj Gupta, none of the Directors or Key Managerial Personnel or their relatives, other than to the extent of their shareholding in the Company are in any way, concerned or interested, financially or otherwise in the said resolution set out at Item No. 3 of the Notice.

The Board of Directors accordingly recommend the Special Resolution set out at Item No. 3 of the Notice for the approval of the Members.

Item No. 4

The Board of Directors of the Company had appointed Ms. Anisha Motwani to hold office as Independent Director of the Company with effect from January 9, 2023, for a period of five consecutive years.

Considering the contribution of Ms. Anisha Motwani in the affairs of the Company and on recommendation of the Nomination and Remuneration Committee, the Board of Directors at its meeting held on May 5, 2025, approved payment of commission of Rs. 5 lakhs (Rupees Five Lakhs only) to Ms. Anisha Motwani, Independent Director of the Company for the financial year 2024-25.

As per provisions of Section 197 of the Companies Act, 2013 ("the Act"), remuneration payable to Directors who are neither managing Directors nor whole-time Directors shall not exceed one percent of the net profits of the company, if there is a Managing or Whole-time Director or Manager.

As per Schedule VA - 62D of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, the Board of Directors shall recommend all fees or compensation, if any, paid to Independent Directors and shall require approval of shareholders in general meeting.

In accordance with the above regulatory requirement, approval of shareholders by way of ordinary resolution is being sought.

Except Independent Directors, none of the Directors or Key Managerial Personnel or their relatives, other than to the extent of their shareholding in the Company are in any

way, concerned or interested, financially or otherwise in the said resolution set out at Item No. 4 of the Notice.

The Board of Directors accordingly recommends the Ordinary Resolution set out at Item No. 4 of the Notice for the approval of the Members.

Item No. 5 and 6

The Members at the Annual General Meeting (“AGM”) of the Company held on May 21, 2024, had granted the following approvals to the Board of Directors:

- To borrow funds in excess of the aggregate of its Paid-up Capital, Free Reserves and Securities Premium Account from time to time, up to an aggregate amount not exceeding Rs. 12,500 crores,
- To create charges, mortgages, hypothecations etc. on both present and future movable and immovable properties, of the Company, in favour of lenders/banks/financial institutions/security/debenture trustee etc. for availing various credit facility(ies), as may be required, from time to time, upto an aggregate amount not exceeding Rs. 12,500 crores.

Considering the Company’s future business plans, growth potential, expansion of the Company’s loan portfolio and to meet the requirement of additional funds for the coming years, the Board of Directors of the Company at their meeting held on May 5, 2025, approved the following subject to approval of the Members of the Company:

- Increase existing borrowing limits of the Company from Rs. 12,500 Crores to Rs. 20,000 Crores, subject to the condition that the total amount of such borrowing(s) outstanding at any given point of time together with the money already borrowed (apart from temporary loans obtained by the Company from its Bankers/ other entities in ordinary course of business) shall not at any time exceed the limit of Rs. 20,000 Crores (Rupees Twenty Thousand Crores only),
- Increase in existing limit for creation of charges, mortgages, hypothecations etc. on both present and future movable and immovable properties, of the Company from Rs. 12,500 Crores to Rs. 20,000 Crores, subject to the condition that the total charges, mortgages, hypothecations etc. together with charges, mortgages, hypothecations etc. already created on both present and future movable and immovable properties, of the Company do not exceed sum of Rs. 20,000 Crores (Rupees Twenty Thousand Crores only).

Accordingly, in terms of Section 180(1)(c) and 180(1)(a) of the Companies Act, 2013 (“Act”), prior approval of the Members of the Company by way of special resolution for the aforesaid matters is being sought.

None of the Directors or Key Managerial Personnel or their relatives, other than to the extent of their shareholding in the Company are in any way, concerned or interested, financially or otherwise in the said resolution set out at Item No. 5 and 6 of the Notice.

The Board of Directors accordingly recommends the Special Resolution set out at Item No. 5 and 6 of the Notice for the approval of the Members.

Item No. 7

The Members at the AGM of the Company held on May 21, 2024 had granted their approval, by passing a Special Resolution, to the Board of Directors of the Company to create/invite/offer/issue/allot such number of Non-Convertible Debentures (“NCDs”), by way of private placement, in one or more series or tranches, on such terms and conditions, as may be determined by the Board of Directors such that the aggregate principal amount of such NCDs issued during a period of 1 year commencing from the date of passing of the said special resolution i.e. May 21, 2024, does not exceed Rs. 3,000 Crores.

Considering the business plans and growth of the Company and to enable the Company to raise funds by way of issuance of NCDs, the Board of Directors of the Company at their meeting held on May 5, 2025, proposed to create/invite/offer/issue/allot such number of NCDs, by way of private placement, in one or more series or tranches, such that the aggregate principal amount of such NCDs to be issued during a period of 1 year commencing from the date of passing of the Special Resolution set out at item no. 7 of the AGM Notice (i.e. May 5, 2025), does not exceed Rs. 7,500 Crores and it is further proposed to authorise the Borrowing & Investment Committee to undertake all acts, deeds, matters and things as it may in its absolute discretion deem necessary, expedient, proper or desirable, in respect of issuance of NCDs under private placement including but not limited to determine the terms and conditions of the NCDs to be issued, number of NCDs to be issued, issue price, face value, issue size, coupon, tenor, objects of the issue, etc., subject to the approval of the Members of the Company.

In terms of Section 42 of the Companies Act, 2013 (“Act”) read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended, a company shall not make an offer or invitation to subscribe to securities (including NCDs) under private placement unless the proposal has been previously approved by the Members of the company, by way of special resolution.

Further, in case of offer or invitation to subscribe to NCDs, where the amount proposed to be raised through such offer or invitation exceeds the limits specified in Section 180(1)(c) of the Act, it shall be sufficient if the company passes a previous special resolution only once in a year for all the offers or invitations to subscribe NCDs, during the year.

Accordingly, it is proposed to seek the approval of the Members of the Company in terms of Section 42 of the Act read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended, to create/invite/offer/issue/allot up to such number of NCDs, under private placement, in one or more series or tranches, such that the aggregate principal amount of NCDs to be issued during a period of 1 year commencing from the date of passing of the Special Resolution set out at Item No. 7 of the AGM Notice, does not exceed Rs. 7,500 Crores.

b. Directors' Responsibility Statement

The Directors, based on the representations received from the operational management, confirm in pursuance to provisions of Section 134(5) of the Act, that:

- in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any,
- such accounting policies have been selected and applied consistently, and such judgments and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profits of the Company for that period,
- that proper and sufficient care has been taken for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company, for preventing and detecting fraud and other irregularities,
- that the annual accounts have been prepared on a going concern basis,
- that the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively,

- that proper systems are in place to ensure compliance of all laws applicable to the Company and that such systems are adequate and operating effectively.

c. Policies

Your Company has adopted various policies pursuant to applicable laws and business/governance requirements, from time to time and the same have been approved by the Board of Directors on the recommendation of respective Committees.

The Company conducts review of all policies of the Company on annual basis to incorporate amendments, if any required pursuant to regulatory/business requirements.

Policy on directors' appointment and remuneration/compensation for Directors, Senior Management Personnel, Key Managerial Personnel and other Employees

In terms of section 178 of the Act and provisions of Listing Regulations, the Board of Directors of the Company have formulated Nomination & Remuneration Policy ("Policy") ensuring the criteria for evaluation of performance and determination of remuneration based on the performance of Directors, KMPs and Senior Management.

Further, Para 99 and Annexure XXIV of RBI SBR Directions 2023, Company is required to put in place a Board approved compensation policy which is covered in Nomination & Remuneration Policy.

Section 134 of the Act stipulates that the Board's Report is required to include a statement on Company's Policy on Directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of a director and remuneration for KMPs and other employees.

In view of the aforesaid, the Board of Directors has, based on the recommendation of the NRC, approved the Policy known as "Nomination & Remuneration Policy" which is available on the website of the Company at <https://finance.godrejcapital.com/gf/information-and-policies>.

This Policy lays down detailed framework, inter alia, encompassing the following:

- Purpose of the policy i.e. to guide the Company in relation to appointment, removal of Directors, KMPs and Senior Management of the Company,
- Formulation of criteria for:
 - Appointment and removal of Directors, KMPs and Senior Management
 - Remuneration for the Directors, KMPs and Senior Management
- Conducting performance evaluation of Directors, its Committees, KMP, Senior Management,
- Factors to be considered for invoking malus / clawback,
- Roles and responsibilities of the Board and NRC Committee, such as to formulate NRC Policy, recommend appointment / remuneration of Directors, KMP, senior management etc.

During the financial year under review, the Policy was amended to carry out the changes as required under applicable regulatory guidelines.

Whistle Blower Policy

The Company has a whistle blower policy encompassing vigil mechanism pursuant to requirements of Section 177(9) of the Act and Schedule VA - Regulation 62J of the Listing Regulations and Regulation 9A of SEBI (Prohibition of Insider Trading) Regulations, 2015.

The whistle blower policy/vigil mechanism enables a director or an employee to report to the management, without fear of victimization, any unacceptable and/or unethical behavior, suspected or actual fraud, violation of the Company's Code of Conduct or ethics policy and instances of leak or suspected leak of unpublished price sensitive information which are detrimental to the organization's interest. It provides safeguards against victimization of directors/employees who avail of the mechanism and allows for direct access to the Chairperson of the Audit Committee in appropriate or exceptional cases.

The policy has been communicated to the employees within the organization and has been hosted on the Company's website and can be accessed at <https://finance.godrejcapital.com/gf/information-and-policies>.

During the financial year under review, no employee was denied access to the Chairperson of the Audit Committee under this policy and no complaint was received under the vigil mechanism of the Company.

Corporate Social Responsibility Policy

During the year under review, the Board of Directors at their meeting held on August 2, 2024, constituted the Corporate Social Responsibility ("CSR") Committee of the Company, pursuant to provisions of Section 135 of the Act read with applicable rules thereunder. The composition of the CSR Committee is provided under the section "Committees of Board" forming part of this Report.

Further, the Company has adopted the Corporate Social Responsibility (CSR) Policy of the Company in accordance with the requirements of the Act containing details specified therein, which is available on the website of the Company at <https://finance.godrejcapital.com/gf/information-and-policies>.

Salient features of the policy include:

- Purpose and policy statement including the rationale for adoption of CSR Policy
- Roles and responsibilities of Board of Directors, such as approving CSR Policy, monitoring the implementation of CSR projects/activities with reference to the approved timelines and year-wise allocation and make modifications, if any, for smooth implementation of the project/activity within the overall permissible time period (as and when Company falls under the category of mandatory spending under CSR), taking into account the recommendations of the CSR Committee
- Roles and responsibilities of CSR Committee, such as to formulate CSR Policy indicating the projects/activities to be undertaken by Company as per regulatory requirements and

recommend the same to the Board, monitor the implementation of the CSR Policy from time to time, etc.

- Principles guiding CSR initiatives and contributions.

During the year under review, there was no amendment made to the CSR Policy.

Your Company has become profitable in FY 2024-25, however, it does not fall under the category of mandatory spending for CSR as per the Act. Further, once the Company falls under the category of mandatory spending for CSR, the Company would identify the suitable CSR projects/activities in line with CSR Policy.

An Annual Report on CSR activities as required under Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended is annexed as **Annexure A** to the report.

d. Internal Financial Controls

The Board has laid down Internal Financial Controls (“IFC”) within the meaning of the explanation to section 134(5)(e) of the Act. Considering that Company has (a) sufficiently staffed finance team working under robust processes, (b) independent internal audit team and (c) quarterly Statutory Audits, the Board believes that the Company has established sound IFC commensurate with the nature and size of its business.

e. Internal Control Systems

The Company has instituted adequate internal control systems commensurate with the nature of its business and the size of its operations. Internal audit is carried out by an inhouse team to evaluate the adequacy of all internal controls and processes.

All significant audit observations and follow-up actions thereon are reported to the Audit Committee. The Audit Committee comprises of three directors of which two are independent directors.

The Audit committee reviews the internal audit reports and the adequacy and effectiveness of internal controls.

f. Business Continuity and Cyber Security

The Company has a well-documented Business Continuity Management Programme which has been designed to ensure continuity of critical processes during any disruption. A robust Disaster Recovery Framework has been put in place to manage business and technology interruption risk, ensure uninterrupted operations and service to customers. The Company also has a business continuity policy to have a planned response in the event of any contingency, ensuring recovery of critical activities at agreed levels within timeframe, thereby complying with various regulatory requirements and minimising the potential business impact on the Company. All the business critical processes are tested in a timely manner for Business continuity.

Throughout the year, there was a continued focus on Cyber Security and the Company continued to invest in a strong Cyber Defence Programme. Ensuring the security of our data

and systems is our top priority, we have enhanced our cybersecurity posture by reinforcing relevant processes, conducting cybersecurity campaigns and investing in advanced technologies. The implementation of various security technologies and processes has accelerated the maintenance of system security through active monitoring, alerting and proactive resolutions. Additionally, we have adopted a continuous scanning strategy for our digital assets, allowing for enhancement in security controls and configurations.

g. Copy of Annual Return

In terms of Section 92 of the Act read with Rule 12 of Companies (Management and Administration) Rules, as amended, copy of Annual Return of the Company in form MGT-7 shall be available on the website of the Company at <https://finance.godrejcapital.com/gf/information-and-policies>.

6. DISCLOSURES PERTAINING TO APPLICABLE RBI/SEBI GUIDELINES/COMPANIES ACT:

a. Risk Management

Your Company has a well-defined risk governance structure which provides for identification, assessment, and management of risks. Risk management involves making decisions and establishing governance systems that embed and support effective risk process, as well as building an organizational culture that supports agility.

The Board has delegated responsibility of overseeing Risk management framework to the Risk Management Committee ("RMC").

The RMC of your Company comprises of Ms. Anisha Motwani, Independent Director & Chairperson of the Committee, Mr. Manish Shah, Non-Executive Director and Ms. Shalinee Mimani, Chief Risk Officer.

The RMC is responsible for reviewing the risks associated with the business of the Company, its root causes and efficacy of the measures taken to mitigate the same.

The Company has also put in place a Risk Management Policy to provide guidance to the Board/RMC regarding management of risk to support achievement of corporate objectives, protect staff, business assets and ensure financial sustainability and identification of elements of risks, fraud detection, monitoring of transactions and post default action.

With this objective in mind, the Board of Directors on recommendation of the RMC approved an Enterprise Risk Management ("ERM") Framework at their meeting held on February 1, 2023. The ERM Framework comprises of following:

- Identification of top risks affecting the Company both at Department level and Enterprise level and preparation of separate Risk Register at Department and Enterprise level.
- Prioritization of the identified risks as per the strategic priorities of the Company and assignment of owners for top risks.
- Understanding existing mitigation measures, development of additional mitigation plans and defining Key Risk Indicator (“KRI”) and appetite thresholds for top risks.
- Cognizance of the key risks which shall be monitored at Enterprise Level and presented to the RMC on a continuous basis.

Update on top risks arising from ERM Framework is placed before the RMC on a quarterly basis.

b. Internal Guidelines on Corporate Governance

In line with adoption of best practices and greater transparency in the operations of the Company and in compliance with Para 100 of RBI SBR Directions 2023 read with Chapter XI, the Board of Directors of the Company have approved and adopted Internal Guidelines on Corporate Governance (“CG Guidelines”).

Update on compliance status with CG guidelines is placed before the Board on annual basis.

During the financial year under review, GC Guidelines were amended to carry out the changes as required under applicable regulatory guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

Fiscal year 2025 started on a buoyant note with higher growth outlook, strong credit growth albeit with higher inflation. Over the year, some challenges crept in with tightening credit and some upheavals in certain product and customer segments within the economy.

Global challenges kept emerging with the conflicts in various regions which kept the commodity prices volatile and disrupted supply chains. Further to this, with the global growth slowing down, the Advanced Economies (AE) had to face a dual challenge higher inflation and lower growth. In addition to this the trade and supply chains faced additional pressure from the tariff wars playing across all economies.

Amid this uncertainty AEs started to cut interest rates which in turn led to volatility in the currency markets and led to increase in deficits, shortage of foreign reserves and increased uncertainty in most countries.

Closer to home, in India, growth started to slow down and with increasing tightening in credit led to challenges in the credit markets with higher delinquencies in certain segments of the industry.

Despite the near term challenges, India remains one of the more stable economies within the world. India is expected to be fastest growing economies in the world today. With FX pressures stabilizing finally, and with high forex reserves, India will have some cushion to volatility due to currency fluctuations. Additionally, India's dependence on exports is low. India is largely a domestic consumption economy. The direct impact on the economy due to tariffs could hence be lower. Further, India could also benefit from an arbitrage in tariffs and this could see some more manufacturing and distribution supply chains moving into India which is good for the medium to long term.

With the medium to long term growth forecast being intact, we believe that the country will keep needing credit to grow into a USD 5-7 TN economy. Within this, the SME segment, which provides for nearly a third of the GDP and nearly 40-50% of the employment will remain a strong beneficiary. This part of the economy will also need credit to grow. The initiatives from the Government, the small business ecosystem will thrive. Additionally with rising formalization within the economy, these firms will also have increased ability to avail credit from formal channels.

The increasing demand and positive sentiments in the Indian retail credit market presents an opportunity for Godrej Finance to broaden the customer base and better service MSME sector.

For FY 26, it is expected that the SME credit market will expand by 16-18%. While the asset quality in the industry is likely to weaken by about 40-70 BPS the overall profitability is expected to be stable with increasing efficiencies.

2. GROWTH AND RISK THEREOF:

The NBFC sector is expected to witness a blend of challenges and growth opportunities. The drive towards digital transformation, the quest for innovative funding mechanisms, and the strategic focus on sectors that fuel economic growth will define the trajectory of the sector. The emphasis on strong risk and governance frameworks, coupled with the sector's ability to adapt to regulatory changes, will be critical in shaping a resilient and vibrant NBFC ecosystem.

The Company is equally committed in helping MSME sector in their growth aspirations and would take various steps in this regard.

Some significant growth opportunities include:

- Growth in the MSME sector would require credit. MSME credit requirement would grow at 15-17% CAGR over next few years.
- Larger financial services entities looking to diversify the funding mix and are likely to include higher incremental share of capital market borrowings, external commercial borrowings and securitisation.
- The RBI's Monetary Policy Committee (MPC) has started reducing rates and increasing liquidity. It is expected that this would result in lower cost of borrowing for the NBFCs and also the end customers which could provide additional impetus to the industry.
- Focus on technology to enhance end-to-end customer journeys and providing enhanced seamless and personalised experience to customers.

Risk factors –

- Reduction in benchmark rates will result in higher competition and lowering of rates whereas the benefit thereof in the cost of funds will take time to trickle in. This will result in lower NIMs for the NBFC sector.
- Competition within this segment is increasing. While some non banking companies have gone through upheavals, newer players have come into this segment and are well capitalised for growth. Banks are also focussing on growing their presence within this segment.

3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE OF THE COMPANY.

The Company focuses on retail lending. It's total Asset Under Management (AUM) as on March 31, 2025 is Rs. 9,20,514.71 Lakhs out of which 56.82% comprises of Loan Against property, 32.56% comprises of Unsecured Business Loans, 4.14% comprises of Construction Finance, 6.43% comprises of Pass through certificates and 0.05% comprises of others.

4. OUTLOOK

The Company has a positive outlook for FY 2025-26. The Company has established its business in 48 locations and shall contemplate expanding into more areas.

The Company has made substantial investment in people, processes and technology which is expected to bear fruit this year. As the economy will open up, there is expected to be significant opportunity for growth.

5. RISK MANAGEMENT:

Overall Risk Management:

The Company aims to operate within an effective risk management framework to actively manage various risks (including credit risk, market risk, operational risk, fraud risk etc) faced by an NBFC, in a manner consistent with its risk appetite. Accordingly, it has adopted a Risk Management Policy which aims to establish a risk culture and risk governance framework, under the guidance of its Board of Directors, to enable identification, measurement, mitigation, and reporting of risk within the Company.

The Company has an active Risk Management Committee which reviews portfolio quality risk, interest rate and liquidity risk, credit concentration risk, legal risk, regulatory & compliance risk, people risk, IT risk & their impact and mitigation thereto.

Credit & Fraud Risk Management:

All the cases are approved by the Credit Underwriting team and Credit Committee at different levels with respective approval limits.

The Company has established Fraud Containment Unit (FCU) and manages fraud risk by focusing on preventing frauds, ensuring early detection, proactive communication and awareness building on recurrent frauds and how to mitigate them.

Asset Liability Management (ALM) & Liquidity Management:

Asset Liability Management is addressed optimally and within the norms stipulated by RBI/ALM Policy. Company is well positioned to meet its liquidity needs by maintaining positive ALM. The Company is committed to maintain Liquidity Coverage Ratio (LCR) as per RBI guidelines.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has institutionalised a strong compliance and control culture across all the business activities recognising the importance of transparency and trust.

The internal controls of the Company are commensurate with the business requirements, its scale of operation and applicable statutes to ensure orderly and efficient conduct of business. These controls have been designed to ensure assurance regarding maintaining proper accounting controls, substantiation of financial statement, safeguarding of resources, prevention and detection of frauds and errors, ensuring operating effectiveness, reliability of financial reporting, compliance with

applicable regulations and relevant matters covered under section 134 (5) (e) of the Companies Act, 2013.

The Company has implemented a RBIA Programme in accordance with the requirements of RBI. Internal Audit function headed by the Head Internal Audit has organizational independence functionally reporting into the Audit Committee of the Board. Internal Audit Reports are regularly reviewed by the management and necessary preventive/corrective action is initiated to strengthen the controls and enhance the effectiveness of existing systems.

To further strengthen governance framework, the Company has appointed a Chief Compliance Officer (CCO). Under CCO's supervision, the compliance function shall, among others, be responsible for identification and assessment of compliance risks, provide guidance on related matters and monitor and test compliances across the organisation.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The Company's performance during the year ended March 31, 2025, as compared to the previous financial year ended March 31, 2024, is summarized below:

INDEPENDENT AUDITOR’S REPORT

To the Members of Godrej Finance Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Godrej Finance Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the “financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address

the matters below, provide the basis for our audit opinion on the accompanying financial statements.

<p>1. Assessment of impairment loss provision on loans based on Expected Credit Loss model under IND AS 109</p>	
<p>As per Ind AS 109, “Financial Instruments”, allowance for loan losses are computed using expected credit loss (‘ECL’) estimation model. The estimation of ECL on financial instruments involves significant judgement and estimates. The key areas where we identified greater levels of management judgement and therefore increased levels of audit focus are:</p> <ul style="list-style-type: none"> • The application of ECL model requires several data inputs. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. • Judgmental models are used to estimate ECL which involves determining Probabilities of Default (“PD”), Loss Given Default (“LGD”), and Exposures at Default (“EAD”). The PD and the LGD are the key drivers of estimation complexity in the ECL and as a result are considered significant judgmental aspect of the Company’s modelling approach. • Ind AS 109 requires the Company to measure ECL on an unbiased forward - looking basis reflecting a range of future economic conditions. Significant management judgement is applied in determining the economic scenarios used and the probability weights applied to them. <p>As a part of our risk assessment, we determined that the impairment of loans and advances to customers, has a high degree of estimation uncertainty, with a</p>	<p>Our audit procedures were focused on assessing the appropriateness of management’s judgement and estimates used in the impairment analysis that included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Reviewed the Board approved ECL Policy concerning the assessment of credit and other risks. • Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions. • Tested controls placed for key inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data and reasonableness of economic forecasts, weights, and model assumptions applied. • Performed the following substantive procedures on sample of loan assets: <ul style="list-style-type: none"> - tested appropriateness of staging of borrowers based on DPD and other loss indicators. - tested the arithmetical accuracy of the ECL computation by using the same input data as used by the Company. - verified the completeness and adequacy of the disclosures made in the financial statements and ensured compliance with Ind AS. • Obtained written representations from management on whether they believe significant assumptions used in calculation of expected credit losses are reasonable.

<p>potential range of reasonable outcomes greater than our materiality for the Financial Statements as a whole and hence we have identified this as a Key Audit Matter.</p>	
Information Technology system used for the financial reporting process	
<p>The Company’s key financial accounting and reporting processes are highly dependent on information technology considering the significant number of transactions that are processed daily across multiple Information Technology (‘IT’) systems. The Financial accounting system of the Company is interfaced with several other IT systems including Loan Management & Originating systems as well as several other systemic workflows. IT general and application controls are critical to ensure that IT systems are able to process the data, completely, accurately and consistently for reliable financial reporting, changes to applications and underlying data are made in an appropriate manner. Adequate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to the applications and data. These include implementation of preventive and detective controls across critical applications and infrastructure. Due to the pervasive nature of role of information technology systems in financial reporting, we planned our audit by assessing the risk of a material misstatement arising from the IT systems as significant for the audit, hence this a Key Audit Matter.</p>	<p>During the course of audit, we deployed our internal experts to carry out the review of IT general controls. Our key audit processes were as under:</p> <ul style="list-style-type: none"> • review of the IT applications and IT infrastructure of the Company in order to identify the IT applications and the infrastructure which has a significant impact on the financial reporting process, as “Key IT systems/applications” • obtaining an understanding of Company’s Key IT applications, databases and operating systems. • review of reports of information security audits conducted by the Company either internally or through external experts. • testing design and operating effectiveness of IT controls such as IT governance and policy framework, access controls, change management controls, program development & system implementation, IT operations & backup controls, data integrity and protection controls, business continuity and disaster recovery, incident management, batch processing & monitoring etc. • testing of compensating controls and performing alternate procedures, whenever necessary. • testing the accuracy of the information produced by the Company’s key IT systems/applications. • testing of compliance with the requirements relating to ‘Audit Trail’ under ‘the Companies Act, 2013’.

Information Other than the Financial statements and Auditors report thereon

- The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis and Board’s report including annexures to Board’s report, but does not include the financial statements and our auditor’s report thereon. The aforesaid other information is expected to be made available to us after the date of this auditor’s report.
- Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 ‘The Auditor’s responsibilities Relating to Other Information.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant

deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company for the year ended March 31, 2024, included in these financial statements, have been audited by predecessor Auditor, who expressed an unmodified opinion on those statements vide their report dated April 30, 2024.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 3 (vi) below.
 - iii. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - iv. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - v. On the basis of the written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;

- vi. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2 (ii) above and 3(vi) below.
 - vii. With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” to this report;
 - viii. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.;
3. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

 - ii. The Company has made provision as required under applicable laws or accounting standards for material foreseeable losses on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has

caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. No dividend has been declared or paid during the year by the Company.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which along with access management tool, have feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except in case of one software where the feature of recording audit trail was not enabled for changes performed by privileged users at the application level for certain records. During the course of performing our procedures, other than the aforesaid instances of audit trail not enabled, where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. The Company has preserved the audit trail for the prior financial year in compliance with statutory record retention requirements, except in relation to certain records of the software for which the audit trail feature was not enabled.

Annexure A to the Independent Auditor's Report

(referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of Godrej Finance Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner over a period of 2 years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regards to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company's business does not involve inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) As disclosed in Note 14 to the financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks and financial institutions during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the financial statements, the quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the unaudited books of account of the Company.
- (iii) The Company is a non – deposit taking Non Banking Financial Company (NBFC) registered with the Reserve Bank of India (RBI) and as a part of its business activities is engaged in the business of lending across various types of

loans. During the year, in the ordinary course of its business, the Company has made investments in, provided guarantee/security to and granted loans and advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships and other parties. With respect to such investments, guarantees/security and loans and advances:

- (a) The Company's principal business is to give loans accordingly, reporting under clause (iii)(a) is not applicable to the Company.
- (b) In our opinion, having regard to the nature of the Company's business, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the Company's interest;.
- (c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated by the Company. Having regard to the voluminous nature of loan transactions, it is not practicable to furnish entity-wise details of amount, due date for repayment or receipt and the extent of delay in this report (as suggested in the Guidance Note on CARO 2020, issued by the Institute of Chartered Accountants of India for reporting under this clause), in respect of loans and advances which were not repaid / paid when they were due or were repaid / paid with a delay, in the normal course of lending business. Further, except for 360 loans classified as credit impaired ('stage 3') with aggregate exposure of principal and interest of Rs. 47 crores, 251 loans where credit risk has increased significantly since initial recognition ('stage 2') with aggregate exposure of principal and interest of Rs. 46 crores and 198 loans where the credit risk has not increased significantly since initial recognition but have some overdue of up to 30 days ('stage 1') with aggregate exposure of principal and interest of Rs. 43 crores as at March 31, 2025, in respect of which the Company has disclosed asset classification / staging in Note 5.1 to the financial statements in accordance with Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India, the parties in respect of 25,388 loans with aggregate exposure of principal and interest of Rs. 8477 crore are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable.
- (d) In respect of loans and advances in the nature of loans, as disclosed in Note 5.1 to the financial statements, the total amount outstanding of loans classified as credit impaired ('stage 3') (including loans overdue for more than ninety days) as at March 31, 2025 is Rs. 47 crores (360 loans). In such instances, in our opinion, reasonable steps have been taken by the Company for recovery of the overdue amount of principal and interest.
- (e) The Company's principal business is to give loans and is a registered NBFC, accordingly, reporting under clause (iii)(e) is not applicable.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties.

Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

- (iv) The Company has not advanced loans or made investments in or provided guaranty or security to parties covered by section 185 of the Act and the provisions of section 186 of the Act is not applicable to the Company. Hence reporting under paragraph 3(iv) of the Order is not applicable.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013, for the business activities carried out by the Company. Hence reporting under paragraph 3 (vi) of the Order is not applicable
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other material statutory dues applicable to it.
As informed, Company does not have any dues of sales tax, wealth tax, value added tax, excise duty and custom duty.

According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, goods and service tax, cess and other material statutory dues were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, outstanding dues of sales tax, Goods & Service tax and income tax that have not been deposited by the Company on account of disputes are given below:

Name of the statute	Nature of dues	Amount (Rs. In Lakhs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Income tax Act, 1961	Income tax	3.14	AY 2011-12	AO
Income tax Act, 1961	Income tax	3.58	AY 2016-17	CIT (A)
Income tax Act, 1961	Income tax	3.21	AY 2017-18	AO

Income tax Act, 1961	Income tax	1.40	AY 2017-18	AO
Income tax Act, 1961	Income tax	0.88	AY 2019-20	AO

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company and maturity profile of financial assets and financial liabilities provided in the notes to the financial statements, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly or optionally) during the year
- (xi) (a) No fraud/material fraud by the Company or no fraud /material fraud on the Company has been noticed or reported during the year.

- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) (a) The Company is not a Nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company has registered as required, under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934)

Annexure B - to the Independent Auditor's Report

(Referred to in paragraph 2(vii) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date on the Financial Statements of Godrej Finance Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Godrej Finance Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Independent Auditors' Additional Report

1. We have been engaged by Godrej Finance Limited (the "Company") to verify and report on matters specified in the Reserve Bank of India's Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions, 2016, DNBS. PPD.03/66.15.001/2016-17 dated September 29, 2016 (the "Directions"), for the year ended March 31, 2025.
2. The Company is a Non-Banking Financial Company-Middle Layer (NBFC-ML) as defined in Para 2.9.1 of the Master Direction - Non-Banking Financial Company - Scale Based Regulation (Reserve Bank) Directions, 2023 dated October 19, 2023 and accordingly reporting is done for various clauses of the direction.

Management's Responsibility

1. The compliance with the Directions is the responsibility of the Management of the Company including the preparation and maintenance of all relevant records and other supporting documents. This responsibility includes the design, implementation and maintenance of internal control relevant to compliance with the Directions.
2. The Management is responsible for ensuring that the Company complies with the requirements of the NBFC Master Directions and the relevant provisions of the Companies Act, 2013 (the "Act") and for maintenance of proper books of account and such other records as prescribed by Reserve bank of India and other applicable laws.

Auditors' Responsibility

3. Pursuant to the requirements of the NBFC Master Directions, it is our responsibility to provide a limited assurance on whether the assertions made by the Company with respect to compliance with the Directions as at March 31, 2025 and the information provided by the management, are in agreement with the audited books of account and other relevant records maintained by the Company.
4. We have conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. Our scope of work did not include verification of compliance with other requirements of other circulars and notifications issued by regulatory authorities from time to time and any other laws and regulations applicable to the Company. Further, our scope of work did not involve performing audit tests for the purpose of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company, taken as a whole. We have not performed an audit, the objective of which would be the expression of an opinion on the financial statements, specified elements, accounts or items thereof, for the purpose of this report. Accordingly, we do not express such an opinion.
5. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information and Other Assurance and Related Services Engagements.
6. The financial statements of Godrej Finance Ltd for the year ended March 31, 2025, have been audited by us, on which we have issued an unmodified opinion vide our audit report dated May 5, 2025. Our audit of these financial statements was conducted in accordance with the Standard on Auditing (SAs) specified under

section 143(10) of the Act. This Standard requires that we plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free of material misstatement.

7. The procedures performed vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. We have performed the following procedures:
 - i. Examined the audited books of account as at and for the year ended March 31, 2025 and other relevant documents as considered necessary.
 - ii. Obtained written representation from the Management confirming the compliance with the Directions as at March 31, 2025.

Conclusion

8. Based on the information, explanation and management representations provided and procedures performed by us as stated in paragraph 7 above, nothing has come to our attention that causes us to believe that the following assertions provided by management, is not in agreement with the aforesaid audited books of account and other relevant records maintained by the Company:
 - i) The Company's principal business is conducting Non-Banking Financial activities and has obtained a Certificate of Registration No. N-13-00368 dated 03/12/2021 from the Reserve Bank of India. (This is the Date of revised Certificate of Registration (COR) post change in name of the Company from Ensemble Holdings & Finance Limited to Godrej Finance Limited. Original COR was issued on March 18, 1998.)
 - ii) The company is entitled to continue to hold the Certificate of Registration in terms of its principal business criteria i.e. asset/income pattern as on March 31, 2025.
 - iii) The Company has met the required net owned fund requirement as laid down in Master Direction - Non-Banking Financial Company — Scale Based Regulation (Reserve Bank) Directions, 2023 dated October 19, 2023.
 - iv) The Board of Directors has passed a resolution for non-acceptance of any public deposits at the meeting held on April 30, 2024.
 - v) The Company has not accepted any public deposits during the year.
 - vi) The Company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it in terms of Master Direction - Non-Banking Financial Company — Scale Based Regulation (Reserve Bank) Directions, 2023 dated October 19, 2023.
 - vii) The Company's financial statements have been prepared in accordance with the Indian Accounting Standards (“Ind AS”) referred to in section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015.
 - viii) The Capital Adequacy Ratio (“CRAR”) of the Company as on March 31, 2025 as disclosed in the unaudited Return submitted to the RBI in form DNBS03 is 23.09%. The CRAR is updated as 23.09% in the audited financial statements. The said ratio is in compliance with the minimum CRAR requirement of 15% as prescribed by the RBI.
 - ix) The Company has furnished to the RBI the unaudited annual statement of capital funds, risk assets/exposures and risk asset ratio Form DNBS03 on April 21, 2025.
 - x) The Company is not classified as NBFC Micro Finance Institutions (MFI) as defined in the Master Direction - Non-Banking Financial Company — Scale Based Regulation (Reserve Bank) Directions, 2023 dated October 19, 2023.

Restriction of use

9. This report is addressed to the Board of Directors of the Company solely for the use of the management of the Company for submission to RBI as required by the NBFC Master Directions and is not to be used for any other purpose or to be distributed to any other parties. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing. 2.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. These financial statements together with the comparative reporting period have been prepared in accordance with the recognition and measurement principles as laid down in Ind AS, prescribed under Section 133 of the Companies Act, 2013 ('the Act'), Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and guidelines issued by Reserve Bank of India (RBI), as amended from time to time and the guidance notes/announcements issued by Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations.

The Company uses accrual basis of accounting except in case of significant uncertainties. The accounting policies are applied consistently to all the financial years presented in the financial statements.

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

The financial statements of the Company for the year ended March 31, 2025 were approved for issue in accordance with the resolution of the Board of Directors on 05 May 2025.

2.2 Basis of measurement

The financial statements have been prepared on an accrual basis under the historical cost convention as modified by the application of fair value measurements required or allowed by the relevant standards under Ind AS.

Historical cost is generally the amount of cash or cash equivalents paid or the fair value of the consideration given in exchange for goods and services.

The financial statements have been prepared on a historical cost basis except for the fair value through other comprehensive income (FVOCI) instruments and certain financial assets and financial liabilities measured at fair value through profit and loss statement (FVTPL).

2.3 Functional and Presentation Currency

The financial statements are presented in Indian Rupees (rounded to the nearest lakhs) which is determined to be the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

2.4 Presentation of financial statements

The Balance Sheet and the Statement of profit and loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") as amended from time to time. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flow". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, Statement of Changes in Equity as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Ind AS, RBI and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

2.5 Use of estimates and judgements

The preparation of financial statements in conformity with Ind-AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognised in the periods in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognised prospectively in the period in which the estimate is revised and future periods. The estimates and judgements that have significant impact on the carrying amount of assets and liabilities at each balance sheet date listed here in below under critical accounting estimates and judgements.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

A. Useful lives of property, plant and equipment and intangible assets

The Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period or even earlier in case, circumstances change such that the amount recorded value of an asset may not be recoverable.

B. Determination of lease term:

Ind AS 116 – Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

C. Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility. For further details about determination of fair value please see Note - 40.

D. Business model assessment

Classification and measurement of financial asset depends upon the results of the solely payment of principal and interest (SPPI) and the business model test. The Company determines the business model at a level that reflects how groups of financial asset are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the asset is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held.

E. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation as at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

F. Contingent liabilities & Commitments

Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or present obligations where the transfer of economic benefits is not probable or cannot be reliably measured. Contingent liabilities are disclosed unless the possibility of an outflow of resources embodying economic benefit is remote.

Commitments are future liabilities, which include undrawn loan commitments, estimated amount of contracts remaining to be executed on capital account and not provided for.

G. Employee Benefits

i) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss for the year falling due within twelve months in which the related service is rendered.

ii) Defined Contribution Plan

The Company's contribution paid/payable during the year towards Provident and other funds is charged to the statement of profit and loss in the year in which employee renders the related service.

iii) Measurement of defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

The Company has an obligation towards gratuity, a non funded defined benefit plan covering eligible employees. Vesting for gratuity occurs upon completion of five years of service.

Details of the unfunded defined benefit plans for its employees are given in Note - 39 which is as certified by the actuary using projected unit credit method.

iv) Compensated Absences

Eligible employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation using projected unit credit method for the unused entitlement that has accumulated as at the balance sheet date.

H. Effective interest rate

The effective interest rate is the rate that discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial (i.e. its amortised cost before any impairment allowance) or to the amortised cost of a financial liability. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

I. Measurement of impairment of loans and advances

Judgement is required by management in the estimation of the amount and timing of future cash flows when determining an impairment loss for loans and advances in new businesses. In estimating these cash flows, the Company makes judgements about the borrower's financial situation compare the borrower's profile with customers having similar profile to estimate probability of default and the net realisable value of collateral, if any. These estimates are based on assumptions about a number of factors including forward looking information, and actual results may differ, resulting in future changes to the impairment allowance.

2.6 Recent Pronouncements:

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendment to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements based on its evaluation has determined that it does not have any significant impact in its financial statements.

2.7 Material accounting policies

2.7.1 Financial Instruments

Financial assets and financial liabilities are recognised in the balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

2.7.1.1 Financial assets

i) Initial recognition and measurement

All financial assets are recognized initially at fair value adjusted for incremental transaction costs and income that are directly attributable to the acquisition of the financial asset except for following :

Financial assets measured at FVTPL which are recognised at fair value; and transaction cost are adjusted to profit and loss statement.

The financial assets include investments in mutual funds, trade and other receivables, loans and advances and cash and bank balances. However, trade and other receivables that do not contain a significant financing component are measured at transaction price.

ii) Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- At amortised cost, and
- At fair value through other comprehensive income (FVOCI), and
- At fair value through profit and loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold the asset for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Amortised Cost

Financial assets at amortised cost include loans receivable, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate (EIR). The effective interest rate (EIR) amortisation is included in interest income in the statement of Profit and Loss.

Fair value through other comprehensive income (FVOCI)

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through other comprehensive income ("OCI"), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the Statement of profit and loss and recognised in other gains/(losses) (net). Interest income from these financial assets is included in other income using the effective interest rate (EIR) method.

Fair value through Profit and Loss (FVTPL)

Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss ('FVTPL').

iii) Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period in which the Company changes its business model for managing financial assets.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

iv) Impairment

The provision for credit risks, which is recognized in accordance with the expected credit loss method specified by Ind AS 109 and in accordance with uniform standards applied, encompasses all financial assets measured at amortised cost. The calculation of the provision for credit risks generally takes into account the exposure at default, the probability of default and the loss given default.

Financial assets are subject to credit risks, which are taken into account by recognising the amount of the expected loss; such allowances are recognised for both financial assets with objective evidence of impairment and non-impaired financial assets.

The general approach is used for financial assets measured at amortised cost on initial recognition. Financial assets are broken down into three stages in the general approach.

Stage 1 consists of financial assets that are being recognised for the first time or that have not demonstrated any significant increase in probability of default since initial recognition. In this stage, the model requires the calculation of an expected credit loss for the next twelve months.

Stage 2 consists of financial assets for which there is a significant increase in credit risk. The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

Stage 3 Financial assets demonstrating objective indications of impairment are allocated to stage 3. The Company assumes that the financial asset is credit impaired if it is more than 90 days past due.

In stage 2 and 3, an expected credit loss is calculated for the entire remaining maturity of the asset.

The Company considers a financial asset to be in default when :

- the borrower is unlikely to pay its credit obligations to the Company in full or in part, without recourse by the Company to actions such as realising security (if any is held): or
- the financial asset is more than 90 days past due.

Both historical information, such as average historical default probabilities for each portfolio, and forward-looking information is used to determine the measurement parameters for calculating the provision for credit risks.

Impairment arises in a number of situations, such as delayed payment over a certain period, the initiation of enforcement measures, the threat of insolvency or over indebtedness, application for or the initiation of insolvency proceedings, or the failure of restructuring measures.

Reviews are regularly carried out to ensure that the allowances are appropriate. Uncollectible loans or receivables that are already subject to a workout process and for which all collateral has been recovered and all further options for recovering the loan or receivable have been exhausted are written off directly. Any valuation allowances previously recognised are utilised. Income subsequently collected in connection with loans or receivables already written off is recognised in the statement of profit and loss.

Loans are reported in the balance sheet at the net off Expected Credit Loss (ECL) provision.

Measurement of ECL

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

The Probability of Default (PD) is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio.

The Exposure at Default (EAD) is an estimate of the exposure at a Balance sheet date.

The Loss Given Default (LGD) is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

When estimating the ECLs, the company adds a management override/overlays to account for stressed scenarios which are then reviewed on a periodic basis . This takes into account the expected inherent risk for different segments in the portfolio and the macro economic environment. The assumptions are periodically validated and modified as appropriate.

Impairment losses and releases are accounted for and disclosed separately from modification losses or gains that are accounted for as an adjustment of the financial asset's gross carrying value.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

v) Write - offs

Financial assets are written off either partially or in their entirety when the Company has no reasonable expectations of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to impairment of financial instruments in the statement of profit and loss. However, financial assets that are written off may be subject to enforcement activities to comply with the Company's procedures for recovery of amounts due.

2.7.1.2 Financial liabilities

i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value adjusted for incremental transaction costs that are directly attributable to the financial liabilities except in the case of financial liabilities recorded at FVTPL where the transaction costs are charged to the Statement of Profit and Loss.

ii) Subsequent measurement

For the purpose of subsequent measurement, financial liabilities are classified as financial liabilities at amortised cost.

Financial liabilities at amortised cost

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the effective interest rate (EIR) amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate (EIR). The effective interest rate (EIR) amortisation is included as finance costs in the statement of profit and loss.

2.7.1.3 De-recognition, Modification and Transfer

Financial Asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when ;

- The rights to receive cash flows from the asset have expired; or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset; or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its right to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in the statement of profit and loss.

If the terms of a financial assets are modified, the Company evaluates whether the cash flow of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognised and a new financial asset is recognised at fair value.

If the cash flows of the modified asset carried at amortised cost are not substantially different, then the modification does not result in derecognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset as the present value of the renegotiated or modified contractual cashflows that are discounted at the financial asset's original effective interest rate and recognises the amount arising from adjusting the gross carrying amount as a modification gain or loss in the the statement of profit and loss. Any costs or fees incurred adjust the carrying amount of modified financial asset and are amortised over the remaining term of the modified financial asset. If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses, in other cases, it is presented as interest income.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

Financial Liability

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

2.7.1.4 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.7.1.5 Derivative financial instruments

The Company enters into swap contracts and other derivative financial instruments to hedge its exposure to foreign exchange and interest rates. Hedges of foreign exchange risk on firm commitments are accounted as cash flow hedges. The Company does not hold derivative financial instruments for speculative purpose.

Derivatives are initially recognised at fair value at the date of a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship. The Company designates certain derivatives as hedges of highly probable forecast transactions (cash flow hedges). A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability.

Hedge Accounting Policy

The Company makes use of derivative instruments to manage exposures to interest rate and foreign currency. In order to manage particular risks, the Company applies hedge accounting for transactions that meet specific criteria. At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging / economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the Company would assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an on-going basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Cash Flow Hedges

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability (such as all or some future interest payments on variable rate debt) or a highly probable forecast transaction and could affect profit and loss. For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). The ineffective portion of the gain or loss on the hedging instrument is recognised immediately in Finance Cost in the statement of profit and loss. When the hedged cash flow affects the statement of profit and loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the statement of profit and loss. When a hedging instrument expires, is sold, terminated, exercised, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss that has been recognised in OCI at that time remains in OCI and is recognised when the hedged forecast transaction is ultimately recognised in the statement of profit and loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in OCI is immediately transferred to the statement of profit and loss. The Company's hedging policy only allows for effective hedging relationships to be considered as hedges as per the relevant Ind-AS. Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and hedging instrument. The Company enters into hedge relationships where the critical terms of the hedging instrument match with the terms of the hedged item, and so a qualitative and quantitative assessment of effectiveness is performed.

2.7.1.6 Cash and Cash equivalents

Cash and cash equivalents consist of cash on hand, balances with bank, deposits with bank (with original maturity of three months or less). For the purposes of presentation in the statement of cash flow, cash and cash equivalents include cash on hand and current account balances with banks that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

2.7.1.7 Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques are as follows :

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as price) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.7.2 Share capital

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of new equity shares are recognized as a deduction from equity, net of any tax effects.

2.7.3 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

2.7.4 Foreign currency transactions and balances

i) Initial recognition:

Foreign currency transactions are recorded in the reporting currency (which is Indian Rupees), by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii) Conversion:

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii) Exchange differences:

All exchange differences arising on settlement or translation of monetary items are recognized as income or as expenses in the period in which they arise.

2.7.5 Property, Plant and Equipment (Tangible assets) & Depreciation

i) Recognition and measurement

Property, Plant and Equipment ("PPE") are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

ii) Subsequent measurement

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the part will flow to the Company and its cost can be measured reliably. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

iii) Depreciation

Depreciation on PPE is provided on a straight-line basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset. The Company has estimated the useful lives to depreciate its PPE which is in accordance with those prescribed under Schedule II of the The Companies Act, 2013, except vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset. The following are the estimates of the useful lives to depreciate its PPE: The following are the estimates of the useful lives to depreciate its PPE:

Particulars	Estimated useful life by the Company
Computer Hardware	3 - 5 Years
Office Equipment	5 Years
Vehicles	5 Years
Furniture and Fixtures	10 Years

Leasehold improvements are amortized on a straight line basis over the period of lease of the asset.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Consequently, the useful life of certain computer-related assets, office equipment and vehicles differ from the life prescribed in Schedule II of the Companies Act, 2013.

Property, plant and equipment costing less than 5,000 are fully depreciated in the year of purchase.

2.7.6 Intangible assets

i) Recognition and measurement

The Company's intangible assets primarily consist of computer softwares. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment.

Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets.

Development costs include employee costs and an appropriate portion of relevant overheads. Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the assets are recognised in the statement of profit and loss when the asset is derecognised.

ii) Amortisation of intangible assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. Intangible assets are amortised as per management's estimate over a period of 3 to 10 years or license period whichever is earlier. Intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Costs associated with maintaining software programmes are recognised as an expense as incurred.

2.7.7 Employee Benefits Expenses

2.7.7.1 Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

2.7.7.2 Post-Employment Benefits

Defined contribution schemes

All eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the company contribute monthly at a stipulated percentage of the covered employee's salary. Contributions are made to Employees Provident Fund Organization in respect of Provident Fund, Pension Fund and are charged to Statement of Profit and Loss at actuals. The company has no liability for future provident fund benefits other than its annual contribution.

Defined Benefit schemes

Gratuity

The Company provides for gratuity covering eligible employees under which a lumpsum payment is paid to vested employees at retirement, death, incapacitation or termination of employment, of an amount reckoned on the respective employee's salary and his tenor of employment with the Company. The Company accounts for its liability for future gratuity benefits based on actuarial valuation determined at each Balance Sheet date by an Independent Actuary using Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its longterm nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Re-measurement, comprising of actuarial gains and losses (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not reclassified to profit and loss in subsequent periods.

Other Long term employee benefits

Accumulated compensated absences

The Company provides for liability of accumulated compensated absences for eligible employees on the basis of an independent actuarial valuation carried out at the end of the year, using the projected unit credit method. Actuarial gains and losses are recognised in the Statement of Profit and Loss for the period in which they occur.

2.7.8 Employee Share Based Payments

Equity-settled scheme:

Equity-settled share-based payments made by the parent Company to the employees of the Company are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest. Fair value determined at the grant date is reduced by payment, If any, made to the parent, is recognised as deemed contribution to equity from parent.

2.7.9 Impairment of non-financial assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Notes to the financial statements for the year ended March 31, 2025 (Continued)

2.7.10 Earnings per share

Basic earnings per share are calculated by dividing the net profit and loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit and loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares which may involve issue of equity shares. The calculation of diluted earnings per share does not assume conversion, exercise, or other issue of potential ordinary shares that would have an antidilutive effect on earnings per share.

2.7.11 Income Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in OCI.

Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period.

Current tax items in correlation to the underlying transaction relating to OCI and equity are recognized in OCI and in equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

Deferred income tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Unrecognised deferred tax assets are re-assessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off deferred tax assets against deferred tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.7.12 Leases

The Company's lease assets primarily consist of leases for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee. Short term leases (lease term of twelve months or less) and low value leases are recognized as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

2.7.13 Segment reporting

The Company is engaged in the business segment of Financing, whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated and to assess its performance, and for which discrete financial information is available. Further other business segments do not exceed the quantitative thresholds as defined by the Ind AS 108 on "Operating Segment". Hence, there are no separate reportable segments, as required by the Ind AS 108 on "Operating Segment".

2.7.14 Revenue and Expense Recognition

2.7.14.1 Interest income

Interest income is presented in the statement of profit and loss includes interest on financial assets measured at amortised cost calculated on an effective interest rate basis. Fee income and expense that are integral to the effective interest rate on a financial asset are included in the effective interest rate computation. The amortization of income and expenses for financial assets under EIR approach is done on a systematic basis that exactly discounts estimated future cash flows of the financial assets through the expected life of the assets.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets. (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated applying the EIR to the amortised cost of the credit-impaired financial asset (i.e. the gross carrying amount less the allowances for ECLs).

2.7.14.2 Commission and fee income

Commissions earned by the Company which are not directly attributable to disbursement of loans are recognised in the statement of profit and loss as and when incurred.

Fee and commission income include fees other than those that are an integral part of EIR. The Company recognises the fee and commission income in accordance with the terms of the relevant contracts / agreement and when it is probable that the Company will collect the consideration.

Cheque bounce charges, late payment charges, foreclosure charges or any other charges recovered from customers are recorded as and when realized.

2.7.14.3 Profit or loss earned on sale of investments is recognised on trade date basis, determined based on the weighted average cost of the investments sold.

Godrej Finance Limited

Notes to the financial statements for the year ended March 31, 2025 (Continued)

2.7.14.4 Dividend income

Dividend income is recognized when:

- the right to receive dividend is established which is generally when shareholders approve the dividend,
- it is probable that the economic benefits associated with the dividend will flow to the entity and
- amount of dividend can be measured reliably.

2.7.14.5 Net gain on derecognition of financial instruments under amortised cost category

Gains arising out of direct assignment transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of excess interest spread (EIS). The future EIS basis the scheduled cash flows on execution of the transaction, discounted at the applicable rate entered into with the assignee is recorded upfront in the statement of profit and loss.

2.7.14.6 Other income

Revenue from services is recognised net of taxes as and when the service is performed as per the relevant agreements.

2.7.14.7 Interest expenses

Interest expense is presented in the statement of profit and loss includes interest on liabilities measured at amortised cost calculated on an effective interest basis. Fee and borrowing costs that are integral to the effective interest rate on a financial liability are included in the effective interest rate computation. The amortization of expenses for financial liabilities under EIR approach is done on a systematic basis that exactly discounts estimated future cash flows of the financial liabilities through the expected life of the financial liability.

2.7.14.8 Borrowing costs

Borrowing costs incurred in connection with the borrowing of funds including the ancillary cost are amortised and accounted as interest expense using the EIR method.

Other borrowing costs are recognised as expense in the period in which they are incurred.

38. Share based payment arrangement (Employee Stock Option Plan)

38.01 The Godrej Capital Employee Stock Option Scheme 2021 ("ESOP Scheme 2021") of the parent company was approved and adopted by its members at an Extraordinary General Meeting held on January 5, 2021 and Employee Stock Option Scheme 2022 ("ESOP Scheme 2022") of the parent company was approved and adopted by its members at an Annual General Meeting held on June 1, 2022. The Scheme is administered by parent company's Board of Directors. The Scheme applies to all the Eligible Employees, who are the permanent employees of the parent company or any Subsidiary of the such parent Company, on the date of Grant of Options. The Compensation Committee of the parent company would decide the entitlement of each employee based on his/her performance, level, grade, seniority and such other parameters as may be decided by the Compensation Committee. The Exercise Price will be as decided by the Compensation Committee. The Options granted would vest after twenty one months but not later than fifty seven months from the date of Grant of Options or as may be decided by Compensation committee. Exercise period is 7 (seven) years from the date of Vesting of Options or such other period as may be decided by the Compensation Committee, within which the Employee should exercise his right to apply for transfer of Equity Shares of the Company to him pursuant to the Option Vested in him in accordance with the ESOP Scheme 2021 and ESOP

The fair value of the options at grant date is determined using Black Scholes Model which takes into account the exercise price, the term of the option, the share price at the grant date and expected price volatility of the underlying shares, the expected dividend yield and the risk free interest rate for the term of the options. The compensation costs, if any, is amortised on a straight line basis.

During the year, the parent company granted stock options to employees under the ESOP 2022 Plan where the exercise price was linked to the fair value of shares on the date of the grant.

39. Employee benefits - Disclosure pursuant to Ind AS 19 'Employee Benefits' (Continued)
e) The principal assumptions used in determining gratuity obligations for the Company's plans are shown below

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans and post retirement medical benefits at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

	As at March 31, 2025	As at March 31, 2024
Discount rate	6.54%	7.16%
Salary growth rate	8.00%	8.00%
Employee attrition rate	23.00%	25.00%
Mortality rate during employment	Indian Assured Lives Mortality 2012-14 (Urban)	Indian Assured Lives Mortality (2012-14) Urban
Average expected future service of employee	3 Years	3 Years

f) Impact on defined benefit obligation - Sensitivity Analysis

Particulars	March 31, 2025		March 31, 2024	
	Increase	Decrease	Increase	Decrease
i) Discount rate (1% movement)	(15.13)	16.47	(7.39)	7.99
ii) Change in salary growth rate (1% movement)	16.08	(15.06)	7.85	(7.40)
iii) Change in employee attrition rate (1% movement)	(6.81)	7.06	(3.65)	3.76

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

g) Maturity

The defined benefit obligations shall mature after year end as follows:

Particulars	As at March 31,	
	2025	2024
i) 1st Following Year	38.80	17.23
ii) 2nd Following Year	41.57	27.69
iii) 3rd Following Year	45.79	28.13
iv) 4th Following Year	55.91	29.64
v) 5th Following Year	55.76	31.84
vi) Sum of Years 6 to 10	168.50	90.08
vii) Sum of Years 11 and above	94.32	40.42

The weighted average duration of the defined benefit obligation is 6 years (previous year - 5 years).

h) Risk Exposure

Gratuity is a defined benefit plan and Company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the Government Security Rate will increase the present value of the liability requiring higher provision.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

i) Accumulated Compensated Absences

The Company provides for accumulated compensated absences as at the balance sheet date on the basis of an actuarial valuation. The Company recognized 170.91 lakhs (Previous year 63.27 lakhs) for Compensated Absences in the Statement of Profit and Loss..

39.3 Impact of Code on Social Security, 2020

The Indian Parliament has approved the Code on social security, 2020 which may impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the rules for quantifying and financial impact are yet to be determined. The Company will complete its evaluation and will give appropriate impact in the financial statements in the year in which, the code becomes effective and the related rules to determine the financial impact are notified.

40. Fair Value Measurement

The fair value is the amount at which financial instruments could be sold on fair terms as of the reporting date. Where market prices (e.g. for marketable securities) were available, we have used these prices without modification for measuring fair value. If no market prices were available, the fair values for loans/receivables and liabilities were calculated by discounting using a maturity-matched discount rate appropriate to the risk.

40.1 Classification of financial assets and financial liabilities:

The following table shows the carrying amounts and fair values of Financial assets and Financial liabilities which are classified as Amortised Cost, Fair value through Profit and Loss (FVTPL) and Fair value through other comprehensive income (FVTOCI).

40. Fair Value Measurement (Continued)

40.2 Fair value hierarchy of financial instruments

The fair value of financial instruments are classified into three categories i.e. Level 1, 2 or 3 depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

Level 1: Financial instruments measured using quoted prices and that are traded in active market are categorized under level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using observable market data and not the entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The instruments are valued based on quoted prices for the similar instruments but for which significant observables adjustments are required to reflect the difference between the instruments.

40.2.1 Financial instruments valued at carrying value:

The respective carrying values of certain on-balance sheet financial instruments approximated their fair value. These financial instruments include cash in hand and bank balances, receivables, trade payables, overdraft facility payable on demand, certain other assets and liabilities that are considered financial instruments. Carrying values were assumed to approximate fair values for these financial instruments as they are short-term in nature and their recorded amounts approximate fair values or are receivable or payable on demand.

40.2.2 Valuation techniques used to determine fair value:

The Company's accounting policies and disclosures require measurement of fair values, for both financial assets and financial liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Board / Audit Committee has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial assets by valuation technique:

i) Investments in Mutual Funds

The fair values of investments in mutual funds is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

ii) Investments in Treasury Bills

Treasury bills are valued based on market quotes.

iii) Investments in G-Securities

G-Securities are valued based on market quotes.

iv) Derivative financial instruments

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

40.2.3 Fair value of financial instruments carried at amortized cost:

i) Loans

Substantially all loans are at floating rate of interest, the carrying value of loans approximates their fair value.

ii) Borrowings and Debt Securities - (other than Market linked debt securities)

The Company's borrowings are at floating rate of interest and the carrying value of loans approximates their fair value.

Debt securities are short-term in nature and hence carrying value approximates their fair value.

41. Risk Management framework

41.1 Introduction

As a financial institution, Godrej Finance limited is exposed to various types of risks namely credit risk, liquidity risk, market risks, operational risk, strategic risk (including emerging & external risks) and compliance & reputation risk.

We have adopted a holistic and data driven enterprise level risk management approach which includes monitoring both internal and external indicators. We as an organization periodically adjust our strategy, incognizance with industry risk dynamics and emergence of new challenges and opportunities. Godrej Finance's risk management framework has been laid down with long term sustainability and value creation in mind.

Important pillars of the risk management approach are developing a strong risk management culture within the Company, alignment of risk with business strategy, creating, preserving and realizing value. The key risks are being monitored by way of various policies covering these areas.

The policies provide guiding principles by setting various guardrails, procedures, risk assessment and control frameworks etc. which are regularly tracked and reviews are presented to various senior management committees and board committees. An effort is also made to understand the best practices in risk management across industries which are then customized to our business requirements.

41.2 Company's Risk Management Framework for Measuring and Managing Risk

Risk management framework

Risk Management forms an integral part of the Company's operations. The company's Board of Directors with support of risk function has overall responsibility for the establishment and oversight of the risk management framework. The Board of Directors has constituted following committees and defined their role for monitoring the risk management policies of the company.

Board level committees

Risk Management Committee of the Board (RMC): The purpose of the Committee is to assist the Board in its oversight of various risks

- i) Credit Risk
- ii) Liquidity and Interest Rate Risk
- iii) Operational Risk (Process, HR, Technology and Fraud)
- iv) Strategic Risks (including emerging and external risks)
- v) Compliance and Reputation Risk (compliance risk and reputation risk are covered through compliance risk management charter).

Borrowing and Investment Committee: This committee has been constituted to enable decisions with respect to borrowing & investments of the Company. The decisions are governed as per Board approved Borrowing & Investment policy of the Company.

Asset Liability Management Committee of the Board (ALCO): ALCO constituted under Annex VI of Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 and undertakes all matters prescribed for its working therein. It deals with all matters related to Asset-Liability and matters prescribed under Board approved Asset-Liability Management Policy and Borrowing & Investment Policy.

The **Risk Management Committee** constituted under Paragraph 39 of Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 and undertakes all matters prescribed for its working therein. Among other things it quarterly reviews risk which impact the organization and actions taken to mitigate them.

The **Audit Committee** is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad-hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

Credit Committee (CCC): The Committee has been constituted to take decisions with respect to credit. Among other things committee approves cases above defined limit, reviews subsidiary credit policies, manual, products etc.

41. Risk Management framework (Continued)**41.3 Company's Risk Management Approach for handling various type of risks****(A) Credit risk management:**

The credit risk is governed by defined credit policies and Board approved DOA which undergo periodic review. The credit policies outline the type of products that can be offered, customer categories, targeted customer profile, credit approval process, DOA and limits etc. Each business unit is required to implement company's credit policies and procedures and maintain the quality of its credit portfolio.

Credit Risk assessment methodology

The Company has a structured credit approval process, which includes a well-established procedure of comprehensive credit appraisal. The credit appraisal process involves critical assessment of quantitative and qualitative parameters subject to review and approval as per defined DOA. The credit assessment involves detailed analysis of industry, business, management, financials, end use etc. An internal rating is also assigned to the borrower based on defined parameters. For retail customers, the credit assessment is based on a parameterised approach. Credit risk monitoring and portfolio review. The company measures, monitors and manages credit risk at an individual borrower level. The credit risk for retail borrowers is being managed at portfolio level.

The credit assessment is carried out based on an internal risk assessment framework which rates the customers accordingly to various parameters. Data analytics is extensively used for effective risk monitoring.

(B) Market Risk

Risk due to change in market prices – e.g. interest rates, equity prices, foreign exchange rates and credit spreads, but not relating to changes in the obligor's/issuer's credit standing and will affect the Company's income or the value of its holdings of financial instruments. The objective of the Company's market risk management is to manage and control market risk exposures within acceptable risk tolerances levels to ensure the solvency while optimising the return on risk. ALCO sets up limits for each significant type of risk/aggregated risk and various products in the portfolio, with market liquidity being a primary factor in determining the level of limits.

Exposure to Market Risk**Interest rate risk**

Core business of the Company is borrowing and lending as permitted by the Reserve Bank of India, exposing us to interest rate risk. Interest rate risk is measured through Interest rate sensitivity report where gaps are being monitored classifying all rate sensitive assets and rate sensitive liabilities into various time period categories according to earliest of contracted/behavioural maturities or anticipated re-pricing date. The Company monitors interest rate risk through above measures on a monthly basis. The interest rate risk limits are approved by the ALCO. A regular stress testing on liquidity scenarios and interest rate scenarios is carried out and presented to the ALCO.

(C) Liquidity risk

A risk that the Company will encounter difficulty in meeting its day to day financial obligations is known as liquidity risk. Management of liquidity risk is done as follows:

- i) ALCO sets the strategy for managing liquidity risk commensurate with the business objectives.
- ii) ALCO has delegated the responsibility of managing overall liquidity risk and interest rate risk to Treasury. ALCO has set various gap limits for tracking liquidity risk. The CFO and head of treasury monitor the gap limits with actuals and present the same to the MD & CEO.
- iii) Treasury department manages the liquidity position on a day-to-day basis and reviews daily reports covering the liquidity position of the Company. Treasury team ensures the regulatory compliance to the liquidity risk related limits approved in the ALM policy by ALCO.
- iv) The Company's approach to managing liquidity is to ensure sufficient liquidity to meet its liabilities when they are due without incurring unacceptable losses or risking damage to the Company's reputation.

The key elements of the Company's liquidity risk management strategy are as follows:

- i) Maintaining a diversified funding through market and bank borrowings resources such as debentures, commercial papers, subordinated debt, perpetual debt, Inter-corporate deposits (ICD's), overdraft and bank term loans. Unused bank lines constitute the main liquidity back up to meet the contingency funding plan. Additionally, based on Market scenario, the company also maintains a portfolio of highly liquid mutual fund units.
- ii) Under the ALM guidelines, the dynamic liquidity statement and structural liquidity statement are being prepared periodically to monitor the maturity gaps in the Assets and Liabilities cash flows.
- iii) The company carries out stress testing of cash flows on periodic basis and shares the results with ALCO to gauge the adequacy of liquidity.

The below table analyses the Company's financial liabilities and financial assets into relevant maturity groupings based on the remaining period as at the reporting date to the contractual maturity date.

47. Regulatory disclosures - RBI (Continued)

c) Disclosures on risk exposure in derivatives

Qualitative disclosure

The Company enters into swap contracts and other derivative financial instruments to hedge its exposure to foreign exchange and interest rates. Hedges of foreign exchange risk on firm commitments are accounted as cash flow hedges. The Company does not hold derivative financial instruments for speculative purpose.

Derivatives are initially recognised at fair value at the date of a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship. The Company designates certain derivatives as hedges of highly probable forecast transactions (cash flow hedges). A derivative with a positive fair value is recognised as a financial asset whereas a derivative with a negative fair value is recognised as a financial liability.

Hedge Accounting Policy

The Company makes use of derivative instruments to manage exposures to interest rate and foreign currency. In order to manage particular risks, the Company applies hedge accounting for transactions that meet specific criteria. At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk

management objective and strategy for undertaking hedge, the hedging / economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the Company would assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an on-going basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Cash Flow Hedges

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability (such as all or some future interest payments on variable rate debt) or a highly probable forecast transaction and could affect profit and loss. For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). The ineffective portion of the gain or loss on the hedging instrument is recognised immediately in Finance Cost in the statement of profit and loss. When the hedged cash flow affects the statement of profit and loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the statement of profit and loss. When a hedging instrument expires, is sold, terminated, exercised, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss that has been recognised in OCI at that time remains in OCI and is recognised when the hedged forecast transaction is ultimately recognised in the statement of profit and loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in OCI is immediately transferred to the statement of profit and loss. The Company's hedging policy only allows for effective hedging relationships to be considered as hedges as per the relevant Ind-AS. Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and hedging instrument. The Company enters into hedge relationships where the critical terms of the hedging instrument match with the terms of the hedged item, and so a qualitative and quantitative assessment of effectiveness is performed.

Qualitative Disclosure

(a) The main drivers of their LCR results and the evolution of the contribution of inputs to the LCR's calculation over time;

RBI had introduced the liquidity coverage ratio (LCR) to ensure that NBFC has an adequate stock of unencumbered high-quality liquid assets (HQLA) to survive a significant liquidity stress lasting for a period of 30 days. LCR is defined as a ratio of HQLA to the total net cash outflows estimated for the next 30 calendar days.

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Management Committee (RMC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RMC subsequently updates the Board of Directors on the same.

(b) The composition of HQLAs:

Particulars	As at 31st March 2025
Cash & callable FDs	2,427.00
G-sec/T-bills	21,716.61
