Lawful Basis of Processing

The information is collected for a lawful purpose connected with a function or activity of GFL or any person on its behalf; and the collection of the sensitive personal data or information is considered necessary for that purpose. We may process your data because:

- You would have given us permission to do so
- We have provided services to you or because you have availed/shown interest for one of our offers/products
- To comply with the law
- We have a contract with you

Use of Personal Data

We use Personal Data to provide you with any service you explicitly requested for, to resolve disputes, troubleshoot concerns, help promote safe services, assess your interest in our services, inform you about offers, products, services, updates, customize your experience, detect and protect us against errors, fraud and other criminal activity, enforce our terms and conditions, etc.

We may also use your Personal Data to send you offers regarding various services/facilities which GFL or its group companies may, from time to time, launch. Your consent will be taken before we send you any such communication.

Cookies and Other Tracking Technologies

Some of our Web pages utilize "cookies" and other tracking technologies. A "cookie" is a small text file that may be used, for example, to collect data about website activity. Some cookies and other technologies may serve to recall Personal Data previously indicated by a Web user. Most browsers allow you to control cookies, including whether or not to accept them and how to remove them. You may set most browsers to notify you if you receive a cookie, or you may choose to block cookies with your browser, but please note that if you choose to erase or block your cookies, you will need to re-enter your original user ID and password to gain access to certain parts of the Web site.

Tracking technologies may record data such as Internet domain and host names; Internet protocol (IP) addresses; browser software, co-browsing services, and operating system types; clickstream patterns; and dates and times that our site/application is accessed. Our use of cookies and other tracking technologies allows us to improve our website/applications and your Web experience. We may also analyse information that does not contain Personal Data for trends and statistics.

Information Sharing and Disclosure

We provide access of your Personal Data to few employees who we believe reasonably need to know that data in order to fulfil their jobs to provide, operate, develop, or improve our products or services.

GFL does not rent, sell, or share Personal Data about you with other people or non-affiliated companies except:

- to provide products or services you've requested
- when we have your permission
- as required by law or legal process
- or for services and offerings

Sharing of Data with Third Parties

We provide the data to trusted partners who work on behalf of or with GFL under confidentiality agreements. These companies may use your Personal Data to help GFL communicate with you about offers from GFL and our marketing partners. However, these companies do not have any independent right to share this data

We may disclose your personal data to agents or contractors of GFL and/or its group companies/affiliates to enable processing of transactions or communications with you "on need" basis. Your aforesaid data may be further used for assessment and analysis of our market, customers, products, and services and to understand the way people use our Services so that we can improve them and develop new products and services. However, it shall be on the basis that the agents are required to keep the data confidential and will not use the data for any other purpose other than to carry out the services they are performing for GFL and/or its group companies/affiliates

With your permission we may share your personal data with Godrej group and/or its affiliates or providing details on latest offers from our other entities.

Third-Party Links and Content on Services

Our Services may link to third-party websites/applications and services that are outside our control. Further, GFL, its group companies, its affiliates, and their directors and employees ("Godrej Group") accept no liability and will not be liable for any loss or damage arising directly or indirectly (including special, incidental or consequential, punitive, or exemplary loss, damage or expenses) from your use of any application or any website, howsoever arising, and including any loss, damage or expense arising from, but not limited to, any defect, error, omission, interruption, imperfection, fault, mistake or inaccuracy with any online application, its contents (material, data, money market movements, news items, etc.) or associated services, or due to unavailability of any application or any part thereof or any contents or associated services even if GFL is advised of the possibility of such damages, losses or expenses.

Minors

To use the website/Application you agree that you must be the minimum age (described in this paragraph below) or older.

The minimum age for these purposes shall be 18, however if local laws require that you must be older in order for GFL to lawfully provide the services mentioned on the Website/Application to you then that older age shall apply as the applicable minimum age.

Data Retention

Your personal data processed by GFL, or its third-party service providers shall be kept in a form which permits your identification for no longer than is necessary for the purposes for which the personal data was collected/stored/processed in line with legal, regulatory, contractual or statutory obligations as applicable.

Your personal data and all data collected during the information gathering, sanctioning of loan, processing of loan, and any other process of providing services, shall be retained for tenure of the loan. Post loan closure the personal data shall be retained for statutory retention period as per the regulatory requirements and applicable law. The regulatory requirement and applicable law for personal data retention may change from time to time and the retention period would be amended from time-to-time to comply with the rules and regulations.

Data Purging Protocol

At the expiry of retention period, your personal data may be purged or archived to comply with legal/contractual retention obligations or in accordance with applicable statutory retention periods, as applicable at that point in time. Certain minimal personal data may be retained after the data purging/archival process to comply with internal policy or statutory or legal or regulatory requirements at that point in time. Customers would have the option to grant/revoke consent based on which data retention or data purging guidelines would be followed as per the regulatory or statutory requirements.

Security and Confidentiality

GFL would implement reasonable security practices and procedures (such as managerial, operational, physical and technical) for the purpose of protection and safeguarding of personal data. At GFL, we are strongly committed to protecting the personal and financial data that is submitted to us.

GFL shall ensure to safeguard the security and confidentiality of any data shared with us. Any personal data obtained by us shall not be used or shared other than for the purposes to which you provide your consent. However, despite our utmost efforts to protect your Personal Data, GFL cannot warrant the security of any data you transmit to us through our online services/ applications. By accepting this Privacy Policy, you accept that such transmission of your Personal Data is done at your own risk.

Lastly, you are requested to help us protect your data privacy by maintaining the secrecy of the username and password you use for any of our Services.

Any breach of data or personal information shall be handled as per the regulatory or statutory requirements as may be applicable. Personal data shall be stored in systems within India as per regulatory and statutory requirements.

Social media
