**The 12-year-old girl from scheduled caste was hired as a daily wage labourer and repeatedly raped by Moeed and Raju for two-and-a-half months. The crime was detected after she became pregnant**

Lucknow: The DNA sample of 71-year-old Samajwadi Party functionary Moeed Khan did not match with that of the foetus belonging to the 12-year-old Ayodhya gang-rape survivor, but instead matched with the DNA of his domestic help Raju Khan.

This was revealed after UP govt submitted Monday the DNA report to the Lucknow bench of Allahabad high court in compliance with the court's order. After taking the report on record, the bench of Justice Pankaj Bhatia set the next hearing on Oct 3. Moeed's bail petition is likely to be heard then.

According to family's police complaint, the girl from the scheduled caste Nishad community was hired as a

**Niti CEO: India Can Aim For 9%-10% Growth**

**New Delhi:** The manufacturing sector has shrugged off the impact of Covid-19 and posted robust growth, creating jobs and raising workers' incomes, according to a survey report released on Monday prompting policymakers to say that overall economic growth could rise in the months ahead.

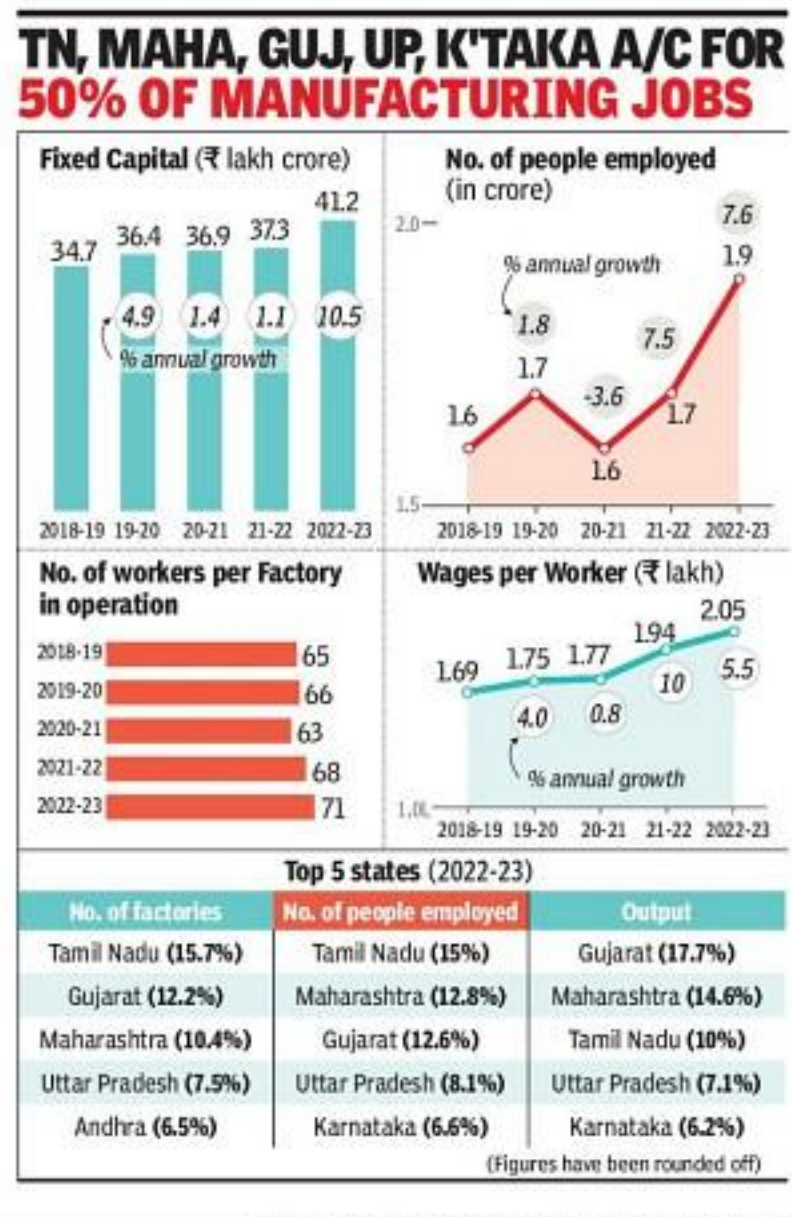

The annual survey of industries (ASI) for 2022-23 financial year showed that the gross value added (GVA) in the manufacturing sector rose 7.3% in current prices in 2022-23 compared to 2021-22 and industrial output grew by over 21%. GVA is a measure of economic activity defined as the additional value created by the process of production. While the data is for 2022-23, the gap for calculating the numbers has been reduced to three months from more than one year earlier.

Niti Aayog CEO B V R Subrahmanyam said the ASI results, also used for calculating overall GDP, could translate into higher growth numbers and the country could aim for 9%-10% growth.

The survey showed that 2022-23 witnessed a growth in the sector for a majority of the key economic parameters like invested capital, input, output, GVA, employment and wages and even surpassed the pre-pandemic level in absolute value terms.

Among major states, in terms of GVA, Maharashtra topped the table, followed by Gujarat, Tamil Nadu, Karnataka and UP. The five states contributed more than 54% of the total manufacturing GVA in 2022-23.

The estimated number of persons in the sector exceeded pre-pandemic level (2018-19) by more than 22.1 lakh while average emoluments rose compared to the previous year. The top five states employing the highest number of persons were Tamil Nadu, Maharashtra, Gujarat, UP, and Karnataka and they contributed about 55% of total manufacturing employment in the year 2022-23, the data showed.

# K'taka HC stays probe against FM, others on poll bonds

**Bengaluru:** In a relief for Union finance minister Nirmala Sitharaman, Karnataka high court on Monday ordered an interim stay on any further investigation based on an FIR registered in Bengaluru in an electoral bonds-linked extortion and criminal conspiracy case against her and others, reports **Vasanth Kumar**.

"Section 383 of IPC mandates that any informant who approaches court or jurisdictional police should have been put through fear... It is only then that extortion can be prima facie established. Criminal law can be set into motion by any person... Who is the complainant here becomes significant," Justice M Nagaprasanna said.

"In this case, permitting further proceedings at least until objections have been filed will become an abuse of the process of law." The order came on a petition by Nalin Kumar Kateel, former Karnataka BJP president and Sitharaman's co-accused in the complaint filed by Adarsh R Iyer, a Bengaluru-based RTI activist.

# India reaches out to SL with visit by Jaishankar

**Sachin.Parashar@timesofindia.com**

External affairs minister **S Jaishankar** will visit Colombo this week for what will be the first high-level engagement between India and Sri Lanka since the new Lankan president, Anura Kumara Dissanayake, assumed office last week.

The visit will be an important for India to reaffirm its commitment to development support for the strategically located Indian Ocean neighbour amid concerns over a realignment in its foreign policy under the Marxist president.

Jaishankar will call on the president during what will also be the first visit by any foreign minister to Sri Lanka after the presidential election. India's high commissioner to Sri Lanka Santosh Jha was the first foreign diplomat to call on Dissanayake after the election outcome was announced.

With Jaishankar visit, which is expected to commence on Oct 4, govt will also hope to build on its outreach to Dissanayake in past 12 months that saw him visiting Delhi earlier this year, setting aside reservations over his party JVP's (Janatha Vimukthi Peramuna) deep and longstanding resentment against India.

During his visit, Dissanayake had met both Jaishankar and NSA Ajit Doval.

"Dissanayake may not have been India's first choice but visit by Jaishankar in only the second week of his presidency suggests India doesn't expect him to be hostile in the manner the new Maldives president was initially or the way the interim govt in Bangladesh has been," said a source. In his meet with Indian officials, Dissanayake had appreciated of India's \$4 billion worth assistance that helped bail Sri Lanka out of a financial crisis.

# Court to decide on laddu case probe by independent agency

**Continued from P 1**

The court said it would also decide whether the probe should be transferred from the state-appointed SIT to an independent agency and would seek the assistance of solicitor general Tushar Mehta on this issue.

"We are prima facie of the view that when the investigation was under process, it was not appropriate for the high constitutional authority to make a statement which can affect the sentiments of crores of people. We find that it would be appropriate if the SG assists us on whether the SIT by the state should continue or the investigation should be by an independent agency," the bench said and posted the hearing to Thursday.

Initiating arguments in the case, senior advocate Rajasekhara Rao, appearing for Swamy, said the CM's statement
